

1666th International Conference on Law and  
Political Science

Manchester, United Kingdom

18th - 19th Apr 2024

## ABOUT US

International Institute of Engineers and Researchers (IIER) is the world's Fastest Growing Non-Profit Organization and professional association dedicated to Promote and Encourage the Latest Advancement in Science, Engineering and Technology for the benefit of our Society through highly cited publications, conferences, seminars and other professional, educational activities. The IIER provides a Unique Platform for Scientists, Doctors, Engineers, Corporate, Management Professionals and Students/Scholars across the globe to Communicate and Learn.

**NB: The Printed proceedings will be published with ISBN and  
Journal Publication will be done after Conference**
