

International conference on Medical and  
pharmaceutical Science

Denver, USA

17th - 18th Feb 2025

## ABOUT US

International Institute of Engineers and Researchers (IIER) is the world's Fastest Growing Non-Profit Organization and professional association dedicated to Promote and Encourage the Latest Advancement in Science, Engineering and Technology for the benefit of our Society through highly cited publications, conferences, seminars and other professional, educational activities. The IIER provides a Unique Platform for Scientists, Doctors, Engineers, Corporate, Management Professionals and Students/Scholars across the globe to Communicate and Learn.

**NB: The Printed proceedings will be published with ISBN and  
Journal Publication will be done after Conference**
